## Instructions

Thank you for participating in our campaign! Please keep the following instructions in mind as you canvass today.

**Safety First:**

- Canvass in pairs when possible and check in with the campaign during your shift. If it feels unsafe, skip the door and note it. Do not enter a home, even if invited.

**At the Door:**

- Confirm you're speaking with the voter listed on your sheet.
- If others are home, you may speak with them, but only record a response for the person you actually spoke with.
- Be polite. If someone is hostile or uninterested, thank them and move on.
- Ask for their support (a clear ask matters). Then thank them and close.
- Never place literature in or on mailboxes — it's against federal law. Leave lit at the door/handle where allowed.

**Recording Results:**

- For each target, record responses according to the answer key on this page and at the bottom of every target page.
